## § 1309.5

(2) Any employment practice of any employer, employment agency, labor organization, or any labor-management joint apprenticeship training program.

### **§ 1309.5 What are the rules against age discrimination?**

(a) *General rule.* No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving financial assistance from TVA.

(b) *Specific rules.* In any program or activity receiving financial assistance from TVA, a recipient may not directly or through contractual, licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under a program or activity receiving financial assistance from TVA, or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving financial assistance from TVA.

(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

(d) The rules stated in this section are limited by the exceptions contained in §§ 1309.6 and 1309.7.

### **§ 1309.6 Is the normal operation or statutory objective of any program or activity an exception to the rules against age discrimination?**

A recipient is permitted to take an action, otherwise prohibited by § 1309.5, if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

(a) Age is used as a measure or approximation of one or more other characteristics; and

(b) The other characteristic(s) must be measured or approximated in order

for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and

(c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(d) It is impractical to measure the other characteristic(s) directly on an individual basis.

### **§ 1309.7 Is the use of reasonable factors other than age an exception to the rules against age discrimination?**

A recipient is permitted to take an action otherwise prohibited by § 1309.5 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

### **§ 1309.8 Who has the burden of proving that an action is excepted?**

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 1309.6 and 1309.7 is on the recipient of financial assistance from TVA.

### **§ 1309.9 How does TVA provide financial assistance in conformity with the Act?**

(a) TVA contributes financial assistance only under agreements which contain a provision which specifically requires compliance with the Act and this part. If the financial assistance involves the furnishing of real property, the agreement shall obligate the recipient, or the transferee in the case of a subsequent transfer, for the period during which the real property is used for a purpose for which the financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where the financial assistance involves the furnishing of personal property, the agreement shall obligate the recipient during the period for which ownership or possession of the property is retained. In all other cases the agreement shall obligate the recipient for the period during which financial assistance is
